Global Consulting & Solutions
Inspiring the future of work, together

Executive Biography

Simon Elliot Co-Founder & Managing Partner Strategy, Innovation & Growth

Simon is a global food, facilities, and work experience thought leader having worked with some of the most progressive organizations across six continents in business & industry including financial services, manufacturing, technology, retail, government, and remote operations, military and mining.

Having managed a \$1B global business and industry client portfolio, Simon is considered a subject matter expert and thought leader on the future of work.

Simon believes that the design and curation of experiences, and especially when through a hospitality lens, can directly impact an organization's ability to attract and retain the best and brightest talent and create a great place to work, where people choose to be.

Originally from the UK, Simon lives in San Francisco and the Bay Area, Simon is close and connected with the latest innovation and trends from Silicon Valley and the technology sector and is also well versed in global trends.

Simon is a Fellow of the Institute of Directors (London), is a member of the Global Advisory Board of the WORKTECH Academy, and a member of the Chartered Institute of Personnel & Development.

Our Strength is in the Power of Our Collective.

Client Engagements:

Simon is available to offer support on a consulting basis for individual projects and as an ongoing expertise-on-demand resource. If you are seeking to grow your business, Simon has a wealth of experience from laying the foundations of strategy, market positioning, telling the story of your go-to-market proposition, and execution. He is also well versed on guiding strategic pursuits and strategies to win and retain business.
